Introduction

The *East European Accessions List* is a monthly record of monographic publications issued after 1944 and periodical publications issued after 1950 that are currently received by the Library of Congress and, as indicated, by other American libraries. Imprints of the following countries as well as publications issued elsewhere in the languages of these countries are included:

Albania	Latvia
Bulgaria	Lithuania
Czechoslovakia	Poland
Estonia	Rumania
Hungary	Yugoslavia

Publications in Russian are also listed in the Library of Congress *Monthly List of Russian Accessions*. Newspapers currently received will be listed in an annual supplement.

The *List* includes two parts:

Part A lists monographic and periodical publications for each country, grouped under general subjects with monographs and periodicals separately alphabetized under each subject. Monographs in series and annual publications are treated as monographs and are listed in the list of monographs. Entries appear under the following general subjects based on the Library of Congress Classification:

- | | |
|--|---|
| 1. General | 9. Music |
| 2. Philosophy and Religion | 10. Fine Arts |
| 3. History and Description | 11. Language and Literature |
| 4. Geography, Anthropology, Sports and Games | 12. Science |
| 5. Social Sciences | 13. Medicine |
| 6. Political Science and International Law | 14. Agriculture—Plant and Animal Industry |
| 7. Law | 15. Technology |
| 8. Education | 16. Military and Naval Sciences |
| | 17. Bibliography and Library Science |

Each monograph is listed in the original language or in transliteration—in accordance with the Library of Congress practice—followed by a translation of the title. Contents of periodicals (in English) are generally given.

Part B is a subject guide to both monographic and periodical publications listed in *Part A*. In citing periodical articles the following abbreviations are used for the months of the year:

Ja	January	My	May	S	September
F	February	Je	June	O	October
Mr	March	Jl	July	N	November
Ap	April	Ag	August	D	December

A cumulative list of the periodicals recorded in Volume 2 and the abbreviations used for the individual periodicals are given at the beginning of *Part B* in each issue of the *List*. A symbol denoting the country of publication and general subject of each title is given in parentheses following the abbreviation.

The *East European Accessions List* is for sale by the Superintendent of Documents, U. S. Government Printing Office, Washington 25, D. C.

Price, 20 cents a copy; subscription price, \$3.00 a year domestic, \$4.00 a year foreign.

EAST EUROPEAN ACCESSIONS LIST

Vol. 2, No. 3

MARCH 1953

THE LIBRARY OF CONGRESS
WASHINGTON: 1953

Introduction

The *East European Accessions List* is a monthly record of monographic publications issued after 1944 and periodical publications issued after 1950 that are currently received by the Library of Congress and, as indicated, by other American libraries. Imprints of the following countries as well as publications issued elsewhere in the languages of these countries are included:

Albania	Latvia
Bulgaria	Lithuania
Czechoslovakia	Poland
Estonia	Rumania
Hungary	Yugoslavia

Publications in Russian are also listed in the Library of Congress *Monthly List of Russian Accessions*. Newspapers currently received will be listed in an annual supplement.

The *List* includes two parts:

Part A lists monographic and periodical publications for each country, grouped under general subjects with monographs and periodicals separately alphabetized under each subject. Monographs in series and annual publications are treated as monographs and are listed in the list of monographs. Entries appear under the following general subjects based on the Library of Congress Classification:

- | | |
|--|---|
| 1. General | 9. Music |
| 2. Philosophy and Religion | 10. Fine Arts |
| 3. History and Description | 11. Language and Literature |
| 4. Geography, Anthropology, Sports and Games | 12. Science |
| 5. Social Sciences | 13. Medicine |
| 6. Political Science and International Law | 14. Agriculture—Plant and Animal Industry |
| 7. Law | 15. Technology |
| 8. Education | 16. Military and Naval Sciences |
| | 17. Bibliography and Library Science |

Each monograph is listed in the original language or in transliteration—in accordance with the Library of Congress practice—followed by a translation of the title. Contents of periodicals (in English) are generally given.

Part B is a subject guide to both monographic and periodical publications listed in *Part A*. In citing periodical articles the following abbreviations are used for the months of the year:

Ja	January	My	May	S	September
F	February	Je	June	O	October
Mr	March	Jl	July	N	November
Ap	April	Ag	August	D	December

A cumulative list of the periodicals recorded in Volume 2 and the abbreviations used for the individual periodicals are given at the beginning of *Part B* in each issue of the *List*. A symbol denoting the country of publication and general subject of each title is given in parentheses following the abbreviation.

The *East European Accessions List* is for sale by the Superintendent of Documents, U. S. Government Printing Office, Washington 25, D. C.

Price, 30 cents a copy; subscription price, \$3.00 a year domestic, \$4.00 a year foreign.

1. The first of these is the fact that the \mathbb{Z}_2 -action on \mathbb{R}^n is not free. The fixed point set of the \mathbb{Z}_2 -action is the set of points $x \in \mathbb{R}^n$ such that $x = -x$, i.e. the origin. This is a single point, which is not a manifold of dimension $n-1$.

EAST EUROPEAN ACCESSIONS LIST

Vol. 2, No. 4

APRIL 1953

THE LIBRARY OF CONGRESS
WASHINGTON: 1953

Introduction

The *East European Accessions List* is a monthly record of monographic publications issued after 1944 and periodical publications issued after 1950 that are currently received by the Library of Congress and, as indicated, by other American libraries. Imprints of the following countries as well as publications issued elsewhere in the languages of these countries are included:

Albania	Latvia
Bulgaria	Lithuania
Czechoslovakia	Poland
Estonia	Rumania
Hungary	Yugoslavia

Publications in Russian are also listed in the Library of Congress *Monthly List of Russian Accessions*. Newspapers currently received will be listed in an annual supplement.

The *List* includes two parts:

Part A lists monographic and periodical publications for each country, grouped under general subjects with monographs and periodicals separately alphabetized under each subject. Monographs in series and annual publications are treated as monographs and are listed in the list of monographs. Entries appear under the following general subjects based on the Library of Congress Classification.

- | | |
|--|---|
| 1. General | 9. Music |
| 2. Philosophy and Religion | 10. Fine Arts |
| 3. History and Description | 11. Language and Literature |
| 4. Geography, Anthropology, Sports and Games | 12. Science |
| 5. Social Sciences | 13. Medicine |
| 6. Political Science and International Law | 14. Agriculture—Plant and Animal Industry |
| 7. Law | 15. Technology |
| 8. Education | 16. Military and Naval Sciences |
| | 17. Bibliography and Library Science |

Each monograph is listed in the original language or in transliteration—in accordance with the Library of Congress practice—followed by a translation of the title. Contents of periodicals (in English) are generally given.

Part B is a subject guide to both monographic and periodical publications listed in Part A. In citing periodical articles the following abbreviations are used for the months of the year:

Ja	January	My	May	S	September
F	February	Je	June	O	October
Mr	March	Jl	July	N	November
Ap	April	Ag	August	D	December

A cumulative list of the periodicals recorded in Volume 2 and the abbreviations used for the individual periodicals are given at the beginning of Part B in each issue of the *List*. A symbol denoting the country of publication and general subject of each title is given in parentheses following the abbreviation.

The *East European Accessions List* is for sale by the Superintendent of Documents, U. S. Government Printing Office, Washington 25, D. C.

Price, 30 cents a copy; subscription price, \$3.00 a year domestic, \$4.00 a year foreign.

EAST EUROPEAN ACCESSIONS LIST

Vol. 2, No. 5

MAY 1953

THE LIBRARY OF CONGRESS
WASHINGTON: 1953

Introduction

The *East European Accessions List* is a monthly record of monographic publications issued after 1944 and periodical publications issued after 1950 that are currently received by the Library of Congress and, as indicated, by other American libraries. Imprints of the following countries as well as publications issued elsewhere in the languages of these countries are included:

Albania	Latvia
Bulgaria	Lithuania
Czechoslovakia	Poland
Estonia	Rumania
Hungary	Yugoslavia

Publications in Russian are also listed in the Library of Congress *Monthly List of Russian Accessions*. Newspapers currently received will be listed in an annual supplement.

The *List* includes two parts:

Part A lists monographic and periodical publications for each country, grouped under general subjects with monographs and periodicals separately alphabetized under each subject. Monographs in series and annual publications are treated as monographs and are listed in the list of monographs. Entries appear under the following general subjects based on the Library of Congress Classification:

- | | |
|--|---|
| 1. General | 9. Music |
| 2. Philosophy and Religion | 10. Fine Arts |
| 3. History and Description | 11. Language and Literature |
| 4. Geography, Anthropology, Sports and Games | 12. Science |
| 5. Social Sciences | 13. Medicine |
| 6. Political Science and International Law | 14. Agriculture—Plant and Animal Industry |
| 7. Law | 15. Technology |
| 8. Education | 16. Military and Naval Sciences |
| | 17. Bibliography and Library Science |

Each monograph is listed in the original language or in transliteration—in accordance with the Library of Congress practice—followed by a translation of the title. Contents of periodicals (in English) are generally given.

Part B is a subject guide to both monographic and periodical publications listed in *Part A*. In citing periodical articles the following abbreviations are used for the months of the year:

Ja	January	My	May	S	September
F	February	Je	June	O	October
Mr	March	Jul	July	N	November
Ap	April	Ag	August	D	December

A cumulative list of the periodicals recorded in Volume 2 and the abbreviations used for the individual periodicals are given at the beginning of *Part B* in each issue of the *List*. A symbol denoting the country of publication and general subject of each title is given in parentheses following the abbreviation.

The *East European Accessions List* is for sale by the Superintendent of Documents, U. S. Government Printing Office, Washington 25, D. C.

Price, 30 cents a copy; subscription price, \$3.00 a year domestic, \$4.00 a year foreign.
